Bienvenidos a Repuestos El Navegante.

Aquí podrás encontrar mas de **35.000** productos de diferentes fabricantes, con una gran variedad de accesorios y componentes para tu embarcación, contamos con mas de 20 años de experiencia en el sector náutico, no dudes en contactarnos para aclarar cualquier duda que tengas, prestamos asesoría técnica lo que es un valor agregado, y te dará tranquilidad a la hora de tomar una decisión de compra.

Nota Importante:

Debido a las restricciones causadas por el Covid 19, y otros problemas a nivel Mundial muchas empresas se vieron afectadas debido a la falta de materia prima, por este motivo tanto los precios como las fechas de entrega sufrieron cambios en gran cantidad de productos, comuníquese con nosotros a través del correo: repuestoselnavegante@gmail.com y solicite su presupuesto sin compromiso, también puede comunicarse vía Telegram o WhatsApp escaneando los códigos QR.

Los productos aquí publicados se encuentran en varias partes del mundo, pero la mayoría se encuentran en Estados Unidos y Europa, por lo que estos precios no incluyen gastos de envío.

También puede consultar en nuestra pagina www.repuestoselnavegante.com nuestros términos y condiciones antes de efectuar la compra, ahí podrá ver también nuestra política de devoluciones.

Los productos pueden ser entregados en un currier de su confianza.

En nuestra pagina podrá encontrar mas de **3.500** productos para entrega inmediata.

Nos especializamos en repuestos Volvo Penta, Cummings, Yanmar, Caterpillar, Mercruiser.

Ofrecemos repuestos para Generadores Onan, Kohler, Westerbeke, Fisher Panda y Northern Lights.

Seats Incorporated Mariner Pilot Seats with Armrests

335251

335252

- The Mariner Seat's patented "knee action" suspension offers shock mitigation & suspension for the roughest conditions.
- The mechanical suspension absorbs the energy of each wave and allows the seat to move in the same motion as the occupant to minimize impact.
- Traditional shock mitigation and suspension technology bounce vertically resulting in the occupant's feet leaving the ground and hands lose control of the steering/throttle.
- The natural, flowing motion of the mariner suspension seat enables the operator to maintain positive steering and throttle control in the harshest of conditions.
- Standard Features:
3" Independent Height Adjustment.
Ride control knob.
Occupant weight adjust.
Fore/aft slide tracks.
EVC Anti-Vibration Cushion Suspension.
Heavy-Duty Shock.
6" Fore/Aft Seat Adjust.
- Outside dimensions: 24" W x 18.5" D x 37.75" H.

Order No.	Mfg. No. / Description	List Price
335251	(158106VA06) Brown	\$1,136.98 H0-9128600

335263	(158106VA02) Blue	\$1,136.98 C0-3466900

Seats Incorporated XL Captain's Chair with Armrests

- This seat is designed for occupants who need comfort and support for a full shift.
- The seat offers a 21.5" wide cushion with a dual layer foam system.
- The bottom layer of the foam is a high-density foam for support and the top layer is soft for comfort.
- The XL Helm Seat also comes with proprietary Elastomeric Vibration Control (EVC), the support holding the cushion. It is a trampoline type material that stretches with the occupant to absorb some impact, reduce vibration, and fatigue.
- Designed to be mounted on a pedestal, directly to the boat or a suspension.
- Standard Features:
Reclining Backrest.
7-position adjustable Lumbar.
EVC Anti-Vibration Cushion Suspension.
Padded Adjustable Armrests.
D2 Foam Technology.
6" Fore/Aft Locking Seat Adjust.
Black Duraleather Covering Material.
- Outside dimensions: 26.5" W x 18.5" D x 32" H

H.O. Bostrom Sierra High Back Reclining Seat with Armrests

- High back.
- Fore/aft adjustment offers 6" of horizontal travel.
- 30° back recline.
- Padded flip-up armrests.
- Serpentine spring platform isolates shock to deliver "bottomless" seat comfort.
- Offers built-in adjustable lumbar support to reduce back fatigue.
- Black Duracoat vinyl.

Springfield Marine KingPin™ Series

- Springfield Marine's first generation removable pedestal is the KingPin™ and is still the most popular seating system among freshwater boaters. The centerpiece of the KingPin™ system is the Hi-Lo pedestal. In the Hi position, the pedestal is a comfortable fishing seat. Remove the post and insert the seat mount into the base for the Lo position - ideal for compact storage or to provide maximum visibility for the driver while the boat is underway.
- It's simple... a 3/4" E-Coated steel pin extends from the bottom of the pedestal as well as from the bottom of the seat mount. And each pin fits into the socket of the KingPin™ deck base.
- Springfield Marine offers the KingPin™ system in a choice of two styles... Standard and Threaded. The Standard pin, with its high-strength composite clip, is designed to prevent unintentional detachment. Threaded has a threaded pin at the bottom of the post which can simply and easily be threaded into the base. Both systems provide an effective, safe, and secure boating experience.

Springfield Marine KingPin™ Series Hi-Lo 3 Piece Packages

- Perfect for those of you who need the flexibility of different heights quickly.
- For "Hi" seating insert post into floor base, for "Lo" seating insert seat mount into floor base.
- Includes: KingPin™ anodized finish post, **7001278** (1615201-EC) E-coat finish Hi-Lo swivel and KingPin™ 7" x 7" satin finish base.
- Hefty 1-3/4" diameter post and reinforcement ring.
- It has a 3/4" pin for your post.

Springfield Marine Plug-In™ Series

- Springfield Marine's removable pedestal series includes the Plug-In™. Stainless steel hardware, high-strength aluminum, and engineering-grade plastics are used throughout to ensure the highest quality of all parts.
- The Plug-In™ series features a unique notched/keyed design that provides security against rotation in the base and seat mount. Once the post is securely engaged into the base, the Plug-In™ provides a safe and stable seating system for your comfort.
- This strong and sturdy interlocking design has continued to make the Plug-In™ series an ongoing popular choice of removable pedestal systems for boats used in punishing freshwater conditions.

Springfield Marine Plug-In™ Power-Rise Air-Ride Package

- High strength adjustable aluminum post.
- Includes 2-3/8" Trac-Lock™ non-locking air-ride swivel.

Springfield Marine Spring-Lock™ Series

- Springfield Marine presents Spring-Lock™ - the world's first push-button activated pedestal. Tired of problems resulting from similar sized plastic bases, the industry needed a new pedestal system that could retrofit with plastic-base units already in use.
- With Spring-Lock™ pedestals, we've combined a sturdy and secure ride with fast and easy post removal. The locking latch of the Spring-Lock™ extends from the post and secures it in the base. A push of the button and the latch unlocks the post from the base for easy removal.

Springfield Marine Spring-Lock™ Power-Rise Stand-Up Pedestal

- Stainless steel pedestal, polished finish.
- Use as seat or leaning post.
- 3° tilt cast aluminum swivel, rotates 360°.
- Adjusts from 22-1/2" to 29-1/2".

Springfield Marine Taper-Lock™ Series

- Springfield Marine introduced the Taper-Lock™ pedestal system in 1982. Since then, over One Million units have been sold!
- The design of the Taper-Lock™ provides the most stable, secure, and versatile systems in the industry. The slight taper of the high-strength composite bushing matches the corresponding taper in the socket of the pedestal base, thus creating a snug, secure fit that can be disengaged as needed. To prevent turning freely, the Taper-Lock™ bushing features a locking tab which also helps hold the pedestal firmly in place.
- Ideal for fishing boats, the Taper-Lock™ has been widely used by many of the top-name boat builders in the industry for many years.

Springfield Marine Taper-Lock™ Series Manual Adjustable Pedestal

- 2-Piece manual adjustable set includes: 2-3/8" manual adjustable post with posi-lock system and Trac-Lock™ non-locking swivel.
