Bienvenidos a Repuestos El Navegante.

Aquí podrás encontrar mas de **35.000** productos de diferentes fabricantes, con una gran variedad de accesorios y componentes para tu embarcación, contamos con mas de 20 años de experiencia en el sector náutico, no dudes en contactarnos para aclarar cualquier duda que tengas, prestamos asesoría técnica lo que es un valor agregado, y te dará tranquilidad a la hora de tomar una decisión de compra.

Nota Importante:

Debido a las restricciones causadas por el Covid 19, y otros problemas a nivel Mundial muchas empresas se vieron afectadas debido a la falta de materia prima, por este motivo tanto los precios como las fechas de entrega sufrieron cambios en gran cantidad de productos, comuníquese con nosotros a través del correo: repuestoselnavegante@gmail.com y solicite su presupuesto sin compromiso, también puede comunicarse vía Telegram o WhatsApp escaneando los códigos QR.

Los productos aquí publicados se encuentran en varias partes del mundo, pero la mayoría se encuentran en Estados Unidos y Europa, por lo que estos precios no incluyen gastos de envío.

También puede consultar en nuestra pagina www.repuestoselnavegante.com nuestros términos y condiciones antes de efectuar la compra, ahí podrá ver también nuestra política de devoluciones.

Los productos pueden ser entregados en un currier de su confianza.

En nuestra pagina podrá encontrar mas de **3.500** productos para entrega inmediata.

Nos especializamos en repuestos Volvo Penta, Cummings, Yanmar, Caterpillar, Mercruiser.

Ofrecemos repuestos para Generadores Onan, Kohler, Westerbeke, Fisher Panda y Northern Lights.

McMurdo Fastfind 220 406 MHz Personal Locator Beacon with GPS

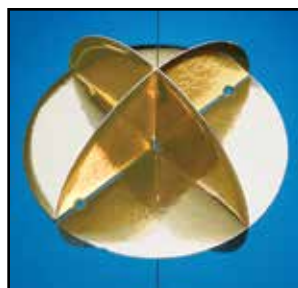

- A Personal Location Beacon (PLB) is a personal safety device designed to alert search and rescue services and allow them to quickly locate you in the event of an emergency, on land or sea.
- When activated it transmits a coded message on the 406 MHz distress frequency which is monitored by the Cospas-Sarsat satellite system.
- The alert is then relayed via an earth station to the nearest Rescue Coordination Centre (RCC).
- As the satellites are in a polar orbit they offer true global coverage - with a PLB you can summon help wherever you are on the planet, no matter how remote.
- As small as an average mobile phone.
- Works anywhere on earth.
- No subscription fees required.
- Built-in GPS.
- Unique flashing SOS feature.
- Built-in operational indicator lights.
- Global alert to Cospas-Sarsat satellites.
- Frequency (Alert): 406.037 MHz.
- Frequency (Homer): 121.5 MHz.
- Positional accuracy to within 100 feet.
- Waterproof to 32 feet.
- FCC approved.

Order No. **496377** Mfg. No. / Description (1091001220AC) List Price **\$522.19** C0-6834400

Davis Emergency Radar Reflector

- It is a compact, lightweight and economical unit that disassembles and stows flat for storage.
- When needed, it pops open to 11-1/2" diameter and installs in seconds.
- Its three perpendicular planes reflect radar from all directions.
- Made of special plastic-metal foil laminate.
- Resists corrosion and peeling.

Fireboy-Xintex MA2 Series Automatic/Manual Fire Extinguishing Systems

- Automatic discharge with optional manual discharge when used with a Fireboy Manual Discharge Cable (sold separately).
- Engine rooms up to 1,500 cubic feet.
- Vertical or horizontal mounting allowed.
- Each Fireboy system comes complete with a powder coated cold rolled steel shelf bracket system, status indicator light & owner's manual.

HIGH-TEMPERATURE MANUAL DISCHARGE CABLES

- Fireboy High-Temperature Manual Discharge Cables allow for the manual discharge of an MA2 or GA Series system when smoke or flames are detected and meet the U.S. Coast Guard flame-test guidelines.
- Determine the length of cable needed by measuring from the extinguisher head to the desired location where the red T-handle can be easily pulled.
- Use the shortest allowable cable when possible.
- Maximum allowed bending of the cable (in degrees) should not exceed 360° and should be taken into consideration when selecting the cable length.

Fireboy-Xintex Carbon Monoxide Detector

- New sensor technology - Electrochemical sensor - immediate and stable sensing reduces false alarms.
- Ultra-low current draw: 4 mA.
- Long sensor life: Approx. 7 year end of life.
- Compact design with high gloss finish.
- Audible alarm.
- 12/24 volt.

Order No.	Mfg. No. / Description	List Price
435286	(CMD5-MD-R)	\$117.89 E0-2488000

Safe T Alert Carbon Monoxide Detector/Alarm

- Microprocessor technology programmed to detect Carbon Monoxide levels using Time Weighted Average (TWA) at 10% COHb curves.
- No false alarms from new boat smell or outgassing.
- Full 5 year service life.
- End of Life clock starts when power is applied, not in inventory or on retail shelves.
- Eliminates nuisance alarms caused by temporary background levels of CO encountered while boating.
- Memory scan. Retains the CO level that activated the alarm. After ventilation, it is impossible to know what the CO level was unless your detector has memory.
- Alarm mute button silences alarm while boat is ventilated.
- Rapid recovery sensor resets when silenced or reactivates alarm if dangerous levels of CO remain.
- Low current draw. Innovative micro current circuit saves precious battery power.
- Include normally closed relay. Use to turn on exhaust fans, remote horns/lights/signals or connect to alarm systems.
- NMMA Listed Component. Listed to UL 2034 Marine Use & CSA 6.19-01.

Order No.	Mfg. No. / Description	List Price
400105	(62-541-RLYNO) White	Surface Mount \$133.19 H0-1997000

Fireboy-Xintex ES Series Automatic Marine Engine Shutdown Systems

- Three models are available for shutting down up to 8 circuits with relays featuring an operating range of 100 mA to 10 amps at 12 VDC unless otherwise noted.
- The 5000 and 8000 series are available with a 15 second delay for GM diesels.
- Each system comes with a round helm station display with integrated audible alarm, "Charged/Discharged" status lights and manual override switch necessary for engine re-start.
- All can be special ordered to operate on 24 VDC.
- Standard voltage is 12 volts. (Required for diesel engines).

Order No.	Mfg. No. / Description
Special Order (ES-3000-01)	3 Circuit Engine Shutdown
Special Order (ES-5000-01)	5 Circuit Engine Shutdown

MSA Explosimeter® Combustible Gas Indicator

- Detects & measures concentrations of combustible gases or vapors in the air.
- Can be used in the immediate environment or for remote sampling of confined spaces.
- UL approval is for Class 1, Group D, Divisions 1 and 2; and Class 1, Groups A, B and C, Division 2, Division 1 excluded, hazardous atmospheres.

Order No.	Mfg. No. / Description	List Price
773122	(11955) 10' Sampling Line for Explosimeter	\$85.98 C0-8037000

Safe T Alert Smoke and Fire Alarm

- Mute button that temporarily silences alarm.
- 24 hour continuous protection.
- Easy installation.
- No wiring required.
- Meets RVIA/NFPA requirements.
- Listed to UL 217 RV.
- 9V battery included.

- Donovan offers a full service station. To pressure test and inspect suits. Suits must be in serviceable condition at all times. The pressure test can reveal leaks that can not be seen with the naked eye. A well maintained suit increases your chance of survival, lasts longer and saves you time and money. An experienced service technician can find seemingly minor defects that can cause major problems.
- The High Rider Ring. It is made of neoprene and attached by zippers making it easy for you to replace yourself. Most other suits have air bladders (high rider rings) that must be brought into a certified station to be replaced.
- Features:
 - One piece, sealed construction made of inherently buoyant 5mm neoprene.
 - Three fingered mitt to keep your fingers warmer.
 - Dual-zipper pull tabs.
 - Wide shoulders and legs for quick donning.
 - Snug-fitting face seal helps keep water out.
 - Back straps keep the ring in place.
 - Suits are true to size.
 - Equipped with whistle.
 - SOLAS-grade reflective tape provides extra visibility of wearer to rescue team.
 - Comes in sturdy storage bag with two handles.
