All artwork must be submitted ready to print as is. We will make our best attempt to center the image on the key float unless otherwise indicated.  
 We only accept High resolution AI, EPS and PDF files. We need your file to have been created in Adobe Illustrator (or another drawing program) and saved as an EPS or AI or JPEG file. All fonts must be saved as "Outlines". Files created in Photoshop or taken off the internet (rasterized) will print with jagged edges on all sides of the graphics. If we do not have a vector file (made from shapes) we will have to regenerate the artwork at a \$60 fee. All files must be one color setup.  
 No dropshadows, outlines or fades. If your artwork is wrong and you sign off on the proof then your Key float will print wrong. What you submit is what we print.

**KeelShield® Keel Guard**

- Just Prep, Peel and Stick - No Down Time!
- KeelShield brand keel protectors provide the strongest most durable protection for your hull.
- Protects your keel from abrasion, scratches and scars from concrete ramps, rocky shores, beaching, launching, loading and submerged objects.
- Made of DOW Urethane Polymers and the best 3M adhesive system available.
- Works on fiberglass, most aluminum and most personal watercraft.
- You want the #1 keel protector than look for the KeelShield Gator.
- Made with pride in the USA.
- Lifetime warranty.

**Gator Guards Gator Patch**

- Gator Patch is a UV Cure fiberglass reinforced repair patch.
- Watertight, impenetrable repair patch, kayak keel guard, and skid plate.
- A Prep-Peel-Stick application that cures simply with UV light in under an hour.
- Will bond to metal, fiberglass, wood, plastic and virtually anywhere you need protection.
- Repairs almost any surface, moldable around flat or curved areas, dents, joints, or angles.
- Perfect in or out of the water.
- Great for any Fiberglass or Aluminum Boat, Kayaks, Canoes, Containers, Tanks, Plumbing, and more.
- Can be drilled, tapped, sanded, or painted within an hour.
- Patch size: 9" x 12".

Order No. Mfg. No. / Description List Price  
**2260089** (GP-912) **\$86.99** HO-9125000

**Hamby's Protector The "Original" Beaching Bumper**

- Made from only the highest quality Dow and Dupont polymers and are injection molded one at a time to provide a unique sleek design.
- The Original Beaching Bumper is professionally installed using an epoxy adhesive and fiberglass matting which ensures a long lasting bond.
- Hamby's Beaching Bumpers are sold only to Hamby's Authorized Installing Dealers. To become an installing dealer the first purchase is a minimum of 4 or more Original Hamby's Beaching Bumpers.
- Any new dealer will receive all required tools and instructions at no extra charge.
- Total installation kit worth approximately \$150.00.
- Black.

## Megaware Keel Guard

- A precise, abrasive-resistant blend of polymers and urethanes achieve optimal durability and pliability.
- A pressure-sensitive adhesive creates strength, while permanently bonding and sealing Megaware KeelGuard's contoured edges to the hull surface.
- Angled grooves produce hydrodynamic channels, creating air pockets and providing a slicker surface.
- Protect against abrasive sand, rocks, concrete ramps and oyster beds.
- Eliminate costly repairs.
- Enjoy the highest quality and superior engineering.
- For boats size up to 18'.
